Basic Arabic Letters

Written and Illustrated

How to use this workbook

Ask your child to say the letter as your child traces it.

To help how it is pronounced in English, Please read the writing underneath the Arabic letter i.e. ا alif as in apple, ث tsa as in think (not fink as in a cockney accent), ر ro; r as in run; o as in octopus, س seen as in sit, ش sheen as in shut, ط to; t as in **t**ip; **o** as in **o**ctupus (not **to** as in **to** you).

Help your child as needed and praise your child at the completion of each worksheet.

Set the number of pages your child will complete in a day or do the practice for fifteen minutes only. The idea is to end it when your child still wants to do more.

Remember to write from right to left.

Please encourage your child to write her/his name.

Practice makes perfect!
